Here the ten kings rise & continue until the stone shall smite the Image on the feet & grind it to powder

His Feet part of Iron, and part of Clay

Dan. 2. 34. 35. "Thou sawest till that a stone was cut out without hands, which smote the Image upon his feet that were of iron and clay and brake them to pieces; Then was the iron, the clay the brass, the silver, and the gold broken to pieces together and became like the chaff of the summer threshing floors, and the wind carried them away, that no place was found for them, and the stone that smote the Image became a great mountain & filled the whole earth."

And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed; and the kingdom shall not be left to other people, but it shall break in pieces & consume all these kingdoms & it shall stand forever.
