

Prophetic Fractals

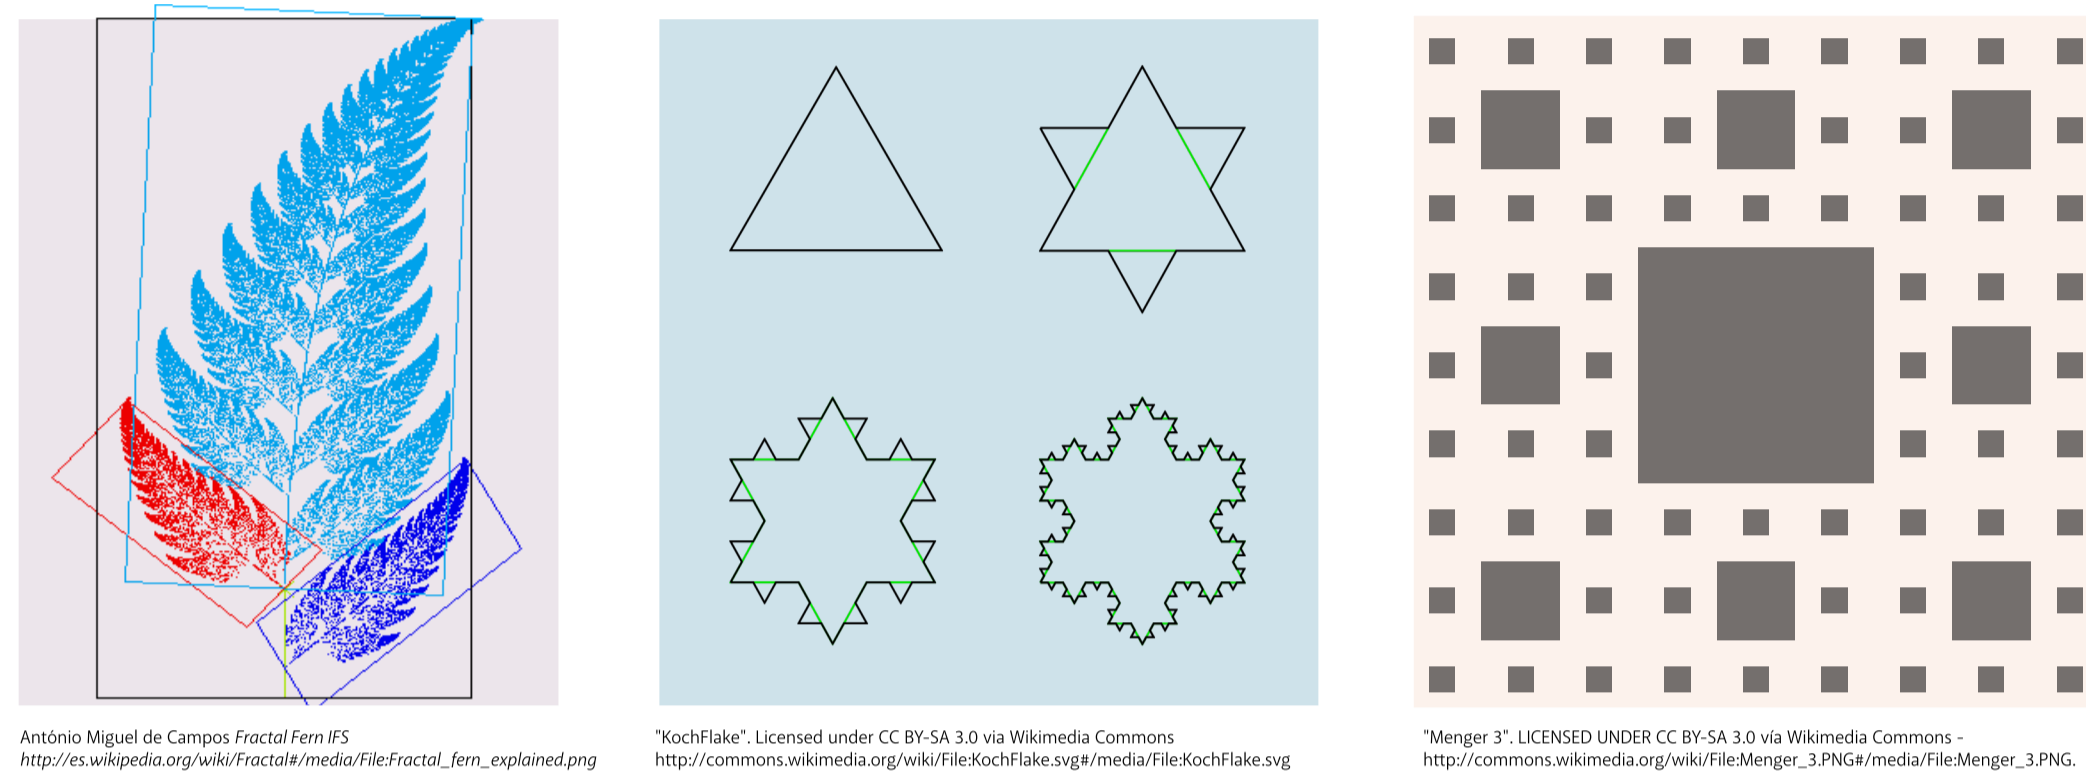

The work of God in the earth presents, from age to age, a striking similarity in every great reformation or religious movement. **The principles of God's dealing with men are ever the same.** The important movements of the present have their parallel in those of the past, and the experience of the church in former ages has lessons of great value for our own time. *Great Controversy*, 343

What is a Fractal?

Definition

A fractal is a natural phenomenon or a mathematical set that exhibits a repeating pattern that displays at every scale. If the replication is exactly the same at every scale, it is called a self-similar pattern. Fractals can also be nearly the same at different levels. Wikipedia <http://wikipedia.org/wiki/Fractal>

Paul trembled for the church as, looking into the future, he saw the attacks which she must suffer from both external and internal foes. With solemn earnestness he bade his brethren guard vigilantly their sacred trusts. *AA* 395

A Three Step Process

The Everlasting Gospel

The Everlasting Gospel [spoken of in Revelation 14] is the work of Christ in producing, and thereafter demonstrating, two classes of worshippers based upon a three step prophetic testing message. Jeff Pippenger

A refining, purifying process is going on among the people of God, and the Lord of hosts has set his hand to this work [Ezekiel 1:8; 10:8]. This process is most trying to the soul, but it is necessary in order that defilement may be removed. Trials are essential in order that we may be brought close to our heavenly Father, in submission to his will, that we may offer unto the Lord an offering in righteousness. God's work of refining and purifying the soul must go on until his servants are so humbled, so dead to self, that when called into active service, they may have an eye single to the glory of God. Then they will not move rashly from impulse, and imperil the Lord's cause because they are slaves to temptation and passion, because they follow their carnal desires; but they will move from principle and in view of the glory of God. The Lord brings his children over the same ground again and again, increasing the pressure until perfect humility fills the mind, and the character is transformed; then they are victorious over self, and in harmony with Christ and the Spirit of heaven. *RH*, 4/10/1894
