

Comprehensive Ministry Report Universal EndTime Message Ministries

Grace, mercy, and peace be unto you from God our Father and from our Lord and Saviour Jesus Christ. Beloved brethren, saints of the Most High God, and cherished friends of the faith, we greet you in the precious name of Jesus as we humbly present this comprehensive report of what the Lord has graciously done for us over the years at Universal EndTime Message Ministries. With hearts overflowing with gratitude, we testify that the journey has truly been ordered by the Lord. From small and humble beginnings, the hand of God has been evident in every step, every sacrifice, and every prayer that has been lifted on behalf of this ministry. As Seventh-day Adventist believers who hold dearly the blessed hope of Christ's soon return, we recognize that every development we have seen is not by might nor by power, but by His Spirit, saith the Lord. This report therefore stands not merely as a record of activities, but as a testimony of God's providence, faithfulness, and sustaining grace in the life of this ministry and its members.

Developments and Progress Over the Years

By the abundant grace of God and the sacrificial giving of the brethren, the ministry has experienced several meaningful developments that have strengthened our worship, outreach, and proclamation of the EndTime Message. Firstly, we were blessed to acquire a projector, a significant milestone that has greatly enhanced our services, Bible studies, evangelistic presentations, and doctrinal teachings. Through this provision, the Word of God is now shared more clearly and effectively, enabling both young and old to follow and understand the sacred truths entrusted to us for this final hour of earth's history. Secondly, we embarked on the development of our official ministry website. This platform is intended to serve as a digital missionary, reaching souls beyond our physical location and sharing present truth to a wider audience. Though the website is in its final stages, we humbly acknowledge that delays have been largely on our side due to various internal constraints and responsibilities. Nevertheless, we remain prayerful and committed to seeing this work completed for the glory of God and the advancement of His cause. Furthermore, by God's help, we were able to enclose our place of worship using locally available materials. Though simple and modest in appearance, this step has provided a safer and more organized environment for fellowship, Sabbath worship, and prayer meetings. As a people who look forward to a better heavenly country, we are encouraged that even this temporary structure stands as a testimony that the Lord provides according to our present needs while preparing us for greater things ahead. In the developments sector, we also rejoice with holy joy to report that we were able to officially register our ministry and are currently recognized by URSB with registration number 80034046456262. This achievement is not merely administrative, but a confirmation that the work the Lord has begun among us is being established and ordered for lawful and organized service in His vineyard.

Challenges Faced Along the Journey

Beloved, as is often the case with every work that seeks to uphold truth in these solemn times, the journey has not been without its trials. We have faced seasons of financial limitation, moments of delay in project completion, logistical difficulties, and the many pressures that accompany ministry work in a growing field. Yet, in the midst of these challenges, we have continually been reminded of the words of Scripture that "hitherto hath the Lord helped us." Each difficulty has drawn us closer to God, deepened our spirit of prayer, and strengthened our unity as a body of believers awaiting the soon coming of our Lord Jesus Christ. These experiences have taught us patience, perseverance, and complete dependence upon God. Instead of discouraging us, they have refined our faith and confirmed that this ministry is sustained not by human strength but by divine grace.

Appreciation and Acknowledgment

With sincere and prayerful hearts, we extend our deepest appreciation to all who have stood with this ministry from its inception. Your prayers, offerings, labour, counsel, and encouragement have been precious instruments used by God to move this work forward. We give special thanks to Mr Kiviri Enock, Maama Trevor, Elder Igwe Ronald, Lawrence Okong, Micheal Achowa, and all the brethren whose sacrifices, whether public or private, have helped us attain this milestone. May the Lord remember their labour of love and reward them abundantly according to His riches in glory. We also gratefully acknowledge our brother Clayton Pippenger, who together with Oscar Sifuna, was involved in the early developments of the ministry website and has continued to support us in various endeavours, especially concerning the website development. We pray that the Lord bless their efforts and establish the work of their hands. To every member, friend, and well-wisher whose name may not be written here but whose contribution is known in heaven, we say thank you. The Lord, who sees in secret, will surely reward openly.

Call for Continued Support and Faithful Stewardship

Dearly beloved brethren, as we prayerfully consider the future, we are reminded that the work before us is still great and the fields are white unto harvest. The proclamation of the everlasting gospel and the EndTime Message requires united effort, faithful stewardship, and continued sacrifice from each member of the body. We therefore lovingly and earnestly urge all members and supporters to continue contributing to this sacred cause through prayers, offerings, talents, and active involvement in ministry activities. Every gift, no matter how small, when given with a willing heart, becomes a seed in the Lord's vineyard that will yield eternal results. Let us be mindful that we are living in the closing scenes of this earth's history. The time is short, the work is urgent, and the Master is soon to return. May we therefore be found faithful, diligent, and unwavering in supporting the work of God entrusted to Universal EndTime Message Ministries.

In closing, we return all glory, honour, and praise unto our Lord and Saviour Jesus Christ, the Author and Finisher of our faith. It is He who has led us thus far, and it is He whom we trust to lead us safely until the day we behold Him face to face. May we continue to watch and pray, keep the Sabbath holy, proclaim present truth, and live in readiness for the soon and glorious appearing of our Lord. May the grace of our Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit abide with us all now and forevermore. Amen.
