Lwak me rwot ma acel i porofesi pa Bibil obedo Babulon, ci i lamal me porofesi pa Babulon rwot ma acel ki rwot ma agiki gitiyo gi ki atir, ki miti, macalo cal me porofesi. I i lwak me rwot ma aryo pa Medo-Peresia, rwot aryo me acaki gicweyo ki atir: en acel obedo rwot ma oyubo cik ma acel bot cik adek, ma omiyo Isirael me kare macon twero dwogo i Yerusalem; kacel ki rwot aryo ma orwate kun, ma gi oyubo cik ma aryo ki ma adek, bene gicweyo ki atir. Polo bene, rwot madwong ma giyero ki Aleksanda Madwong, kacel ki luteny ki rwodi ma orwate i lok pa kare pa lwak me rwot ma adek pa Giriki, gicweyo i lok me porofesi. Lwak me rwot ma angwen pa Ruma ma pe geno Lubanga owaco ki atir ikom rwodi ki empara pa lwak meno.

Rwodi weng pa Isirael, pa kom me Not ki pa kom me Saut, ki nyutu maber; kacel ki rwodi pa Asuri ki Farogi pa Misiri, gin weng gin cal i lok me poropheti pa Lubanga. Tam ni lok me poropheti pa Lubanga nono bi waco bot pulezidenti me United States, twero winyo calo pire tek bot jo ma tye ki wang ento pe gi neno, ki tye ki wiye ento pe gi ngeyo. Ento pe keken; ber bedo pire tek maloyo tam ni Lubanga pe bi waco bot pulezidenti pa le me piny me Apok me apar adek, ka en aye kome me yiko madit loyo gin weng pi poropheti me nino me agiki.

Pulezidenti me agiki pa United States of America myero, me porofetik, obed ki kit pa pulezidenti me acaki pa United States of America. Macalo pulezidenti me agiki pa Ripablikan, myero, me porofetik, obed ki kit pa pulezidenti me acaki pa Ripablikan. Macalo pulezidenti ma myero obed ka loyo i kare pa lweny me lobo ma agiki, ma en aye lweny me lobo me adek, myero bene otyeko obed ki kit pa pulezidenti ma oloyo i kare pa lweny me lobo me acel ki me aryo.

Lweny me wilobo adek ma otime i con pa America nyutu tic me keto lok pa lanabi i yore adek. Lweny me wilobo adek, ma kombedi Joe Biden tye ka telo piny wa i iye, kitye ki tito pa en i Lweny me wilobo acel ki aryo. I kare acel keken, Biden tye ka telo United States i Lweny me iye kene aryo. I dwe manok ma bino, tintoo me lok pa lanabi ma ki rwate ki Lweny me iye kene aryo, kacel ki Lweny me wilobo adek, bi med keken, calo nyako matye i gonyo me nyol.

Lok ma ngat weng ginenyo maber i kare me dwoko pire tek pa bal me Lweny me Lobo ma Aryo, ma Martin Niemoller, latic me ngec pa Nyasaye ki lami pa Luteran ma German, owaco ni, 'Mok me acaki, gi bino kwanyo jo sosialis, ento pe awaco—pi pe an obedo sosialis. Dok gi bino kwanyo jo yunit me tic, ento pe awaco—pi pe an obedo jo yunit me tic. Dok gi bino kwanyo jo Yahudi, ento pe awaco—pi pe an obedo Yahudi. Dok gi bino kwanyo an—onongo pe odong ngat mo me waco me an.' Ka kare mede wot, wabi neno i cen i histori me kombedi man, ka wabi ngeyo ni tic

ma tye kawot kombedi obedo adaki tuk me acaki pa lweny me agiki pa histori porofetik.

I kare me ajul ma ki nyutu ki 1776 dok i 1798, ma iye Declaration of Independence, the Constitution ki the Alien and Sedition Acts gi obedo alup me yore, gin mukato ki cawa 11 September 2001 dok i kare ma Amerika ma Kacel waco calo lanywalo bende ki nyutu. Cawa 11 September 2001 obedo kabedo me golo yore, kede Declaration of Independence otye ka rwatte ki cawa en. Declaration of Independence bende ciko Lweny me Revolusion, kede nyutu ni Patriot Act of 2001 cako dwogo me i lamo pa lweny en. Nying “revolution” nyutu ni me timo dul ma opong.

I tung’ 1776 ki 1798, Lweny me Revolusyon ogweyo woko teko pa rwot pa Ingilande, kacel ki rwodi weng. Konstitusyon oketo gengo, pe keken ikom teko pa rwot, ento bene matek ikom teko pa Papa. I 1798 dong, ring (revolusyon) otyeko opong ki cik ma gicoyo ma omiyo Purezidenti teko pa rwot.

Patriot Act keto alam me yub madwong (laggi) ma orome bot lagwok pa piny ma cwaco calo nyoka madwong, i kama twero pa Papi bene tyeko dwogo. Laggi me acel, ma cako i 1776 dok obedo i 1798, nyutu yub me porofeti ma kelo dwogo twero pa rwot; kacel ki eni, yub ma en otimo calo alama nyutu yub mukene ma kelo dwogo twero pa Papi. Lweny me Yubu ma me aryo ocako ki 11 me dwe me September, 2001. Pingo ento gibimiyo nying Patriot Act?

Mapwod wa waco lweny ma time i lok me mukato pa pulezidenti me agiki, wamedo waco kit me lanabi pa cal pa Beast. Ber madwong ni wanyute kit ma tye i yubo pa cal pa Beast i kare pa pulezidenti me agiki. Pulezidenti en myero obedo me Republican, ma tye ka lweny ki twero ma macego ki twero pa Dragon. Myero en obedo ma agiki; eka obedo pulezidenti ma aboro i kare me pulezidenti aboro. I kare aryo me cako pa United States, ma gin Kongres pa Continent aryo, kare aryo weng gitye kwede pulezidenti aboro, ki kare aryo weng ginyuto ni acel i aboro obedo me abiro. Kamano, ki i lami aryo me cako, pulezidenti me agiki myero obedo ma aboro, ma obedo me abiro.

Donald Trump keken ni otyeko gin magi me porofetik. Me ngeyo maber woko kio me porofetik ma Donald Trump tye ka bino cano, obedo mite me ngeyo ni, i kit me porofet, Lweny pa Lobo me acel ki me aryo gityeko yero gi i Lweny pa Lobo me adek, ki kit me porofetik pa lweny magi bene tito ikom kio ma Trump tye ka bino cano. Ka waci kamano, wa pe pok okete kit me tigo adek pa Lweny pa Lobo adek.

Lweny ma tye ka mede iye ma kelo ki Islam, ki peko me cente ma ocake anyim, obedo yoo ma kwede Islam me keca mar adek tyeko tic pa janabi arwaka i yubo cal me le i Amerika me Kite ma Kigamo. “Punda”, ma obedo janabi arwaka pa Islam, ocwalo janabi arwaka pa Amerika me Kite ma Kigamo i “Jerusalem”, calo punda ocwalo Krisito i Jerusalem. I wot ma eno, ki yubo kit me janabi ma cwalo tyeko pa lok me janabi me kare mukato. I mwaka 1798, “Alien and Sedition Acts” ki “waco” gi i acaki atura pa lok pa gin matime pa le me piny, ma onego cako calo “lamb”, dok i agiki kwaco calo “dragon”. Iye “Alien and Sedition Acts” tye cik angwen.

Cik me Naturalization: Cik man omedo kare me kabedo ma mito pi bedo ngat pa Amerika.

Alien Friends Act: Cik man omiyo Pirezidenti twero me cwalo woko gi ma pe obedo dano pa United States ma kicono ni gi goro kuc ki gwoko bedo pa United States i cawa pa kuc. Omiyo Gavumenti twero me mako ki cwalo woko dano pa piny mukene labongo yore me cik ma rwate.

Cik me Lageni pa Lobo ma tye ki Lweny: Cik man omiyo twero bot Pirisideni me gwoko i cing kacel ki cwalo woko ki lobo laco mo keken pa lobo ma tye ki lweny i cawa me lweny.

Cik me Sedition: I iye jami angwen, en ma gikwanyo lok kwede mapol loyo, Cik me Sedition omiyo cwal coc mape atir, me nyono, onyo me cwiny marac i kom gamente me United States onyo latic ne, obedo bal me cik. En otiyo maber me miyo yubo gamente obedo bal me cik.

Kampen pa Donald Trump tye keken piny i kica mame me tyeko “yubo wal” ma ocako i kare me tic ma con ka obedo Pirisiden. Owaco ni golo woko jo mapol loyo i rekod me kwo pa dano bibedo time ka oyero ne i 2024. Trump tye ki kit pa ngat me pire kene ma pe rwate ki jalobo me politiki mo keken i wang politiki pa Amerika. Ogwoko kica ma owaco i kampen ne; ka pe bene, otemo me gwoko gi. Cik “Alien and Sedition Acts” obedo cik ma rwate maber tutwal ki kica ne me golo woko jo ki i lobo.

Acel ki lok me poko madit loyo pa Trump, ma rwate ki twero me politic i DC ma orweny piny maber, ma o yaro ni “swamp”, ma tye kwede politisyen ma gi ogwang, ma pe gi yub maber, ki ma gi meko cwiny gi; birokrat ma lami tic; “alphabet agencies”; ki joo ma lamo cente ma gotye ki cente mapol maloyo (billionaire financiers), en “fake news” ma kieweyo ki nyutu me kare manyen pa Reich Ministry of Public Enlightenment and Propaganda pa Hitler, ma kombedi ki yaro ni MSM, Mainstream Media. “Alien and Sedition Acts” nyutu cik ma rwate tek ki leng pa en bot “fake news”. Yesu kare weng nyutu agiki me gin ki cako me gin.

President ma acel me Republican myero ocako wang peko me Civil War ma Buchanan, Democrat ma obino i anyim pa Lincoln, okelo. I timo kamano, Lincoln ogengo twero me habeas corpus. Habeas corpus obedo yore pa cik ma gwoko twero pa ngat me penyo i kot pi gwoko iye pa dano onyo keto pa dano i jele. En twero me cik ma macek ki madwong ma miyo ni pe ki gwoko ngat i gwoko iye labongo adwogi me cik. Ka kiketo coc pa kot me habeas corpus i nying pa dano ma kigwoko iye, myero Gavumenti oyaro i anyim pa kot adwogi me gwoko iye pa dano.

I kare me lweny ma bot jo pa America pire kene, Lincoln ogengo woko pap me cik ma lwongo ni habeas corpus i kabedo mogo me United States macalo yore me kare me lweny. I acaki, en ogengo woko habeas corpus i Maryland i dwe April, 1861, ci lacen ocwalo gengo ne i dul kabedo me Midwest. Tic man kityeko timo ne me gwoko rwom ki me gengo woko goba i kabedo ma tye paro madwong bot yweyo woko onyo bot Confederate (Democrats), ki me gengo kuro kwede tic me lweny pa Union.

Juko pa Lincoln me habeas corpus onongo otye ki layeny ki oketo penyo madwong me Konsitituson, pien tye iye juko me kare manok pa twero me lwak ma tung matek ma Konsitituson me United States ogwoko. Konsitituson miyo twero pi juko pa writ me habeas corpus, “ka i kit pa Rebellion onyo Invasion ka gwok pa lwak mito juko pa en” (Atikol I, Sekson 9).

Lincoln otamo ni tic ma otimo obedo ma myero pi gwoko Union ki gwoko kuc pa piny i kare me lweny. Kongres ogolo Cik me Kwanyo Woko Habeas Corpus i 1863, ma omiyo twero pa con bot kwanyo woko me Habeas Corpus ma Lincoln otimo, kede miyo yore mapat pi gwoko i kom pa lwak. Habeas Corpus odwogo pyer pyer i mwaka ma lubo Lweny me Civil War, ka lweny otyeko, ki piny odwogo i kit me kuc.

I 1871, Pulezidenti Ulysses S. Grant (Republican) bene ogengo habeas corpus i kaunti 9 i South Carolina ikare me tero me lworo pa Ku Klux Klan (Democrats) i kare me Reconstruction Era. Gengo man ne tye me cwer ki teko marac ki me gwoko twero pa lwak pa Afrika Amerikani ma kiwoko kombedi woko.

I 1942, Pulezidenti Franklin D. Roosevelt (ma obedo me dul Democrat), i kare me Lweny me Lobo II, oketo cing i Yaro pa Pulezidenti 9066, ma omiyo twero me kwanyo ki teko me cwalogi Jo Japan ma Amerikani ma obedo i West Coast i kabedo mapat, kacel ki gwoko-gi i but me gwoko. Ka i yore me cik, man pe oketo woko pi kare nying habeas corpus; ento omiyo kigwoko Jo Japan ma Amerikani labongo kit me cik ma atir, ki twero me cik pa gi okwo matek.

Ci i mwaka 2001, Bush ma agiki (Republican ma globalist), inge cobo pa terrorist me 11 me September, oketo twero me gwoko i cing jo ma gineno ni obedo jalweny pa laco, i Guantanamo Bay ki i kabedo mapatpat mukene. Gwoko i cing pa jo magi, kacel ki kitgi i yore me cik, obedo gin ma ki kwaco i kwac me cik ma rwate ki habeas corpus.

Ci i higa 2021, adwogi me Pelosi (Demokrat), ma otimo ikom nino me January 6, mede kwede kit me juko woko Habeas Corpus, ki kwanyo woko due process, kede timo kano dano ma pe rwate ki Cik me Dul Piny. Adwogi me Pelosi me 2021 en aye kare me acaki ma kityeko yiko woko twero me cik pa lwak jo Amerika pi cing me politika kende. Lubbe weng mapat, obedo lweny matwal onyo lapok-cik ma kityeko nyutu maber jolweny acel acel. Jolweny i adwogi me Pelosi en gin keken jolweny pa jo me piny weng ma ocweyo gi ki goc madwong. Ber tutwal me ngeyo rwate me lanen i gin ma rwate ki kwanyo woko Cik me Dul Piny, pien gin-gi aye gin ma time ma nyutu cako bedo pa cal pa lewic, ma en aye tem madwong pi jo pa Lubanga.

Pe obedo gin madwong ka i tero Pelosi macalo jal maber mamegi, onyo Trump macalo jalweny mamegi; gin madwong en ni i ngen peko ma tye ka bino ki itimo kweyo ma rwate. Jogi ma bi loyo i peko ma obino gin jolobo pa Jerusalem ma i polo, ki teko weng ma ojuk woko ki cik pa Lubanga bi rib bedo gin acel, calo kit ma Sadducee (Democrats) ki Pharisee (Republicans) gubedo gicwec kacel me lweny bot lutino pa Lubanga ma gicwiny dith, ka cal pa Beast tye ka kete.

Tic me goba ma tim gi laco lok marac pa Islam i United States onyo Protestantism ma okwanyo woko ki yie i lobo weng, en aye ma kelo rwom me Kanisa ki Gamente. Sister White nyutu ni bino bedo lweny me jo piny mukene, ki ni obino kelo ne jo-bank me lobo weng ki jo ma tye ki cente pa bilion, ma gin jogero me Babilon manyen, ma, ka i yore me porofeti, obedo but acel i but aryo pa jo me yero twero pa lagwok madwong. But mukene en jo-politiki me yore, jo-mako cik, rwoti, ki jo-loyo lobo.

I India, China, Rusia, ki i buru me Amerika, jo dichwo ki dako alufu mapol tye gutho pi kech. Jo ma tye ki cente, pien gi tye ki twero, gi loyo makit. Gin yengo weng ma gin twero nongo i cene ma piny, ci lacen gi cato i cene ma malo maber. Man nyutu bedo me kech bot jo ma pe tye ki cente, ki bino yubo lweny me piny keken. Manuscript Releases, volumu 5, 305.

Lweny me Revolution ne obedo lweny ma pire tek, ento ne onyutu lweny me polotiki ma ki cako i nino apar acel me dwe September, mwaka 2001. Kombedi, United States obedo piny ma gibolo i dul aryo me polotiki, ento Lok pa Lubanga pe doyo, kacel Lok pa En nyutu ni Trump obi yero dok i yero me 2024. Lweny me Civil, ma i kit weng ki dong cako, obi cako maber lacen inge ki yero ne, calo eni ma otime ki Lincoln, Lapirsiident me Republican ma acel. Kit me paro ma i iwet pa Lweny me Civil ma obi cano, gibiro yubo ne jo bank me piny weng kacel ki jo cato ma tye ki cente mapol lapol, ma, ka mede ki gin mukene, gi timo tic pe gi cuto pi yabo bino pa jo mapol ma pe ki gengo i piny weng, me medo mito gi pi dwogo cente mapol, kacel ki gin ma rwatek loyo, me kwanyo woko dul ma i tung. Jo cato pa Babylon tye ka yeny me yubo kit me dul aryo pa bedo: jo marwak tutwal kacel ki jo ma pe tye ki cente tutwal.

Trump bi bedo Pirezident ma bi lara cako-keto cal pa lim, kede nabi ma pe atir pa Islam obedo ma bi miyo cal eni kiketi, kede pi joma tye ki wang kede twero neno, kede joma tye ki lit kede twero ngeyo, goro ma Islam otime i ceng 7 me October 2023 pa woe me adek ikom Israel ma ada, Piny me Guwec me con, obedo tyeko ma ngene pore pa tic me providensi pa nabi ma pe atir pa Islam.

Pati Democratic, ma yubo pire malo calo pati me 'Diversity, Equity and Inclusion', kombedi tye ka nongo adwogi me tam pa Setan ma gi cweyo anyim. Cok ki 7 me October 2023, lok me rwom ikin jo ma kwedo Israel ki jo ma cwiny mito Israel tye ka poko teg pa pocitiki me pati mamegi, ka gi tye kagam bot yero me 2024. Poko eni ocwinyi lweny i iye-gi i bot jomatugogi, nyo obedo ni masini me yero me 'electronic' ma gi oluco pe dong tye ki twero me loko 'votes' mapol me loyo 'votes' ma adok ma bi cwalo bot Trump. Lweny pa lapur mape adok pa Islam tye ka kelo kit ma bi yero Trump calo Pirezidenti me aboro, ma obedo i bot abiro, cok ki kare me agiki i 1989, ka lewic me piny timo cal pa lewic me pi.

Obi donyo bene i piny ma lamal, ki piny mapol bi buto woko; ento magi bi wut ki cing pa iye: Edom, Moab, ki ladit pa nyith Ammon. Daniel 11:41.

Democratic Party dong tye ka poto iye pire kene. An pe atamo politiki; an keken aketo lok pa gin ma kombedi tye ka time ki lok me lunabi i rwom acel. Democratic Party otyeko tic kacel kacel, pe gi weko, me yabo lim me piny i lobo weng; ci omiyo rwom me dano madwong tutwal ma con pe otime, ki ma pe kicimo. Bur me pi madwong i lobo weng otyeko yabo ki globalists ma 'dragon' omiyo cwinygi.

Twol ogolo ki tungone pi calo opuk iring dako, me omiyo opuk oyweyo kene. Piny okonyo dako, piny oyabo tungone, ometo opuk ma twol madongo ogolo ki tungone. Twol madongo obedo ki kica madwong ikom dako, ci owoto me timo lweny kwede jo ma orem i nyithind pa dako, ma gin gwoko cik pa Lubanga, kede gin tye ki lami pa Yesu Kristo. Revelation 12:15-17.

'Jo ma odong' obedo jo 144,000, ci lok pa jo 144,000 obedo lok ma ocako i 11 September 2001. I kare eno con, twero pa dragon tye ka 'keto pi ki i dho pa en, macalo pi ma opong weng' i tung weng. Pi nyutu jo.

En owaci an ni, Pi ma in oneno, ma dako me prostituti obedo iye, obedo jo, ki lwak madwong, ki oganda, ki leb. Nyutu pa Yohana 17:15.

En latic pa twero pa 'dragon' me piny (globalists) ma giyabo lwak me donyo i lobo ma pe ki cik, i cawa me keto cil pa jo 144,000. Kaka timgi, kamano bende obiro dwoko gi: kwec pi gin ma gubedo i mede, ki dwoko pi laywogi; bot piny ma i te pi bende obiro dwoko. Ento gibin luoro nying Rwot ki tung me giko ceng, ki ladwongne ki tung me yabo ceng. Ka laywogo obino calo pi ma opong, Jwii pa Rwot obiro yabo bolo me lweny i mede. Ki Lakony ma Dwogo obiro bot Ziyon, bot jo ma gidwogo woko ki yiko cik i Jakobo, owaco Rwot. I an, man aye muma na ki gin, owaco Rwot: Jwiina ma tye i wi in, ki lok na ma aketo i cok in, pe obiro wot woko ki cok
