

Ekitabo kya Danyeri - Ennamba kikumi mu amakumi mukaaga mu nnya

Obukulu obw'obunnabbi bwa Danyeri 11: Okubikkula ebivaamu mu byafaayo n'eby'omumaaso

Jeff Pippenger
2024-03-28

Mu lunyiriri olw'ekumi mu mukaaga olw'a Danyeri kkumi na emu, okuwangulwa kwa Yuda ne Yerusalemi Pawulopeyio mu mwaka gwa 63 BC kuteekebwa mu maaso. Kino kikiikirira etteeka lya Ssande erigenda okujja mangu mu United States mu kutuukirizibwa kw'olunyiriri olw'ana mu lumu olw'essuula y'emu. Ebyafaayo ebikwatagana n'olunyiriri olwo biraga olutalo lw'omunda mu ggwanga olubaawo ekibuga bwe kiwambiddwa, bwe kityo ne biraga okuddamu kw'Olutalo lw'Omunda mu United States oluli kati lugenda mu maaso mu United States. Ka babe nga bakubye amasasi oba nedda, kati waliwo ebika bibiri ebiri mu kulwana olw'okufuna obuyinza ku United States. Pawulopeyio bwe yawangula Yerusalemi, kyategeza nti Yerusalemi yandisigadde wansi w'obuyinza bwa Rooma okutuusa lwe yazikirizibwa mu mwaka gwa 70 AD. N'olwekyo, kyali kifaananyi ky'etteeka lya Ssande erigenda okujja mangu, eriraga enkomerero y'obwakabaka obw'omukaaga obw'obunnabbi bwa Bayibuli.

Pompey ye y'asoose ku maanyi ana ag'Abaruumi agategeerekeddwa mu kitundu ekyo. Marc Antony, eyali Omuruumi, naye ategeerekeddwa; naye ku maanyi gano ana agakiikirira abakulembeze b'Abaruumi, Antony akiikirira obukulembeze bw'Abaruumi obwajeema ne bukola endagaano ne Misiri okulwanyisa Rooma. Pompey, Julius Caesar, Augustus Caesar ne Tiberius Caesar be Baruumi abana abakozesebwa mu buryo obw'obunnabbi okukiikirira emirembe ena egy'ejjembe ery'Obwakabaka bwa repbulika ery'ensolo ey'omu nsi.

Pompey, nga akiikirira obujeemu obw'Olutalo olw'Abaganda mu Amerika mu mulembe gwa 1863, era alaga n'omulembe ogusembayo n'"olutalo olw'omunda" oluliwo kaakano era olutandise dda. Julius Caesar akiikirira omulembe ogwokubiri, Amerika lwe yanywezebwa nnyo ng'eggwanga erisookerwako mu mawanga gonna, naye n'attibwa mu 1913, obuyinza bw'enkola y'ebyensimbi lwe bwaweebwa enkola ya bbanka ez'obwannanyini ez'ensi yonna, era omulimu gw'okuteekawo gavumenti emu ey'ensi yonna lwe gwatandika. Caesar Augustus akiikirira emyaka egy'ekitiibwa egy'entalo z'ensi yonna ebiri ezasooka, Amerika bwe yafuuka eky'envuujjo eri ensi yonna wadde ng'okuyiwa omusaayi kwaliwo. Awo mu mulembe ogusembayo Tiberius Caesar, amanyiddwa olw'obutamivu bwe n'okukomererwa kwa Kristo, akiikirira ebbanga eryatandika mu bukulu n'okulondebwa kwa John F. Kennedy, pulezidenti eyasooka Omukatuliki, bwe gutyo n'alaga omulembe ogwandikotamidde Rooma.

Ensonga zino ez'obunnabbi ezikwatana ne Pompey za mugaso, naye mu kiseera kino tussa amagezi ku byafaayo eby'obunnabbi ebyaaliwo nga tebunnatuuka ku Pompey ne vesi kkumi na mukaaga, ebyafaayo ebyatandikira mu vesi bbiri ezisooka ez'omutwe, nga birambulula 1989

ng'ekiseera eky'enkomerero, oluvannyuma ne biraga Pulezidenti omugagga ow'omukaaga okuva ku Reagan, atabula abalwanirira enkola y'ensi yonna, nga Trump abituukirizza ddala.

Trump alabikibwa mu mufaananyi nga mukulembeze ow'okuna eyaddirira Cyrus, ayitibwa Xerxes, kabaka w'Abaperusi omugagga, era amanyibwa nga Ahasuerus mu embooji ya Esther. Mu nnyiriri ezo, kabaka eyaddirira Xerxes ye Alexander Omukulu mu linyiriri olw'okusatu. Mu byafaayo, waliwo abakulembeze munaana wakati wa Xerxes ne Alexander Omukulu. Okuva ku Trump okutuuka ku gavumenti emu ey'ensi yonna ekiyimiriddwa Alexander Omukulu, bakabaka kkumi bayimiriziddwa; Trump ng'owasooka, ne Alexander ng'owasembayo.

Ennyiriri z'obunnabbi ziraga nti bakabaka bonna ab'ensi balyenda obwenzi n'obwa paapa ku nkomerero y'ensi, era bakabaka abo bakiikirirwa ng'"bakabaka kkumi." Akabu, eyali omutwe gw'obwakabaka obw'emirundi kkumi, era eyafumbirwa Yezebeeri, akiikirira amazima nti newaakubadde nga bakabaka abo kkumi bonna benda obwenzi n'obwa paapa, waliwo kabaka omukulu omu ye asooka okukola ekyo. Omulundi ogwasooka obwa paapa lwe bwawaebwa entebe y'obwakabaka bw'ensi, kabaka omukulu yali Kuloovi, kabaka w'Abafalanka (Bufaransa) mu mwaka gwa AD 496. Kino kikwatagana n'obwa paapa okuva Bufaransa erinnya ery'omubereberye w'Ekkansa Katolika, n'omuwala omukulu ow'Ekkansa Katolika.

Omulumu ogw'obunnabbi ogwatukirizibwa Bufalansa mu kuteeka Roma ku ntebe y'obwakulembeze bw'ensi ey'obugunjufu, guyimirira ng'ekifaananyi ky'omulumu ogw'obunnabbi ogwa Amerika. Eteeka lya Sande eryogerwako mu bunnabbi bwa Baibuli litandikira mu Amerika, ate oluvannyuma amawanga gonna ag'ensi yonna gagoberera ekyokulabirako ekyo. Ebigambo by'obunnabbi ebiddirigananya biraga nti kabaka asinga obukulu mu bakabaka ekkumi, oyo asooka era n'asukkirira okukola bwenzi n'omusajja ow'ekibi mu nnaku ez'enkomerero, ye Amerika. Newaakubadde nga tewali bakabaka abalambikiddwa wakati wa Xerxes, kabaka asooka era omugagga, ne Aleksanda Omukulu, kabaka ow'enkomerero, mu olunyiriri olwabiri n'olw'asatu, ebyafaayo biraga nti waliwo bakabaka ekkumi. Omuwendo ogw'ekumi guyimirira ekigezo, era guyimirira n'omukago.

Okuggezebwa ensi lye esisinkanye nalo kwe kutekawo sisitimu ey'ensi yonna, eyeyimirizibwa ng'ekifaananyi ky'ensolo. Okuggezebwa okwo kutandikira mu United States ku tteeka lya Sande erijja mu bwangu era kuggwaawo nga buli ggwanga ku nsi yonna ligoberedde ekyokulabirako ekyo. Yesu bulijjo alaga enkomerero y'ekintu ng'akozesa ntandikwa yaakyo, kale ne bwe kiba nti tewali bakabaka b'alondoolwa wakati wa kabaka omugagga ne Alekisanda mu bitundu eby'okubiri n'eb'okusatu, ebyafaayo biraga nti waliwo entambula y'okuggezebwa etandikira ku pulezidenti omusinga obugagga, eyali mugagga olw'emirimu gye gy'ebyobusuubuzi, si lwa kukola obugagga mu kwetaba mu sisitimu ya poliitiki eyononefu.

Erinnya Amerika livudde mu ngeri ey'Oluladini ey'erinnya "Amerigo", eriva ku Munna-Italiya Amerigo Vespucci, eyali omunoonya n'omukulembeze w'entambula z'ennyanja eyakola entambula nnyingi okugenda mu Nsi Empya ku nkomerero y'ekyasa eky'ekumi n'ettaano n'entandikwa y'ekyasa eky'ekumi n'omukaaga. Mu byonna, okunoonya kwa Vespucci kwasobozebwa obuwigizi bw'ensimbi n'okuteekaamu kapitaalo okuva eri abaawagira n'abakungu

abawanika ensimbi, abaali balaba emikisa egyasoboka egy'amagoba, okugaziya, n'ekitiibwa mu kunoonya Nsi Empya. Erinnya "Amerika" kye kabonero k'enteekateeka y'okukolera amagoba.

Yesu bulijjo alaga enkomerero y'ekintu ng'agiyunga ku ntandikwa yaakyo; era entandikwa ya bakabaka ekkumi abakiikirira oluguudo oluva mu bwakabaka obw'amayembe abiri obwa Medo-Buperusi okutuuka ku gavumenti emu ey'ensi yonna ekiikirirwa Alekizanda Omukulu, etandikira ku kabaka omugagga, nga ye pulezidenti w'obwakabaka obufaananyizibwa Bufalansa ne Akabu, era naye alifuuka omutwe ogukiikirirwa Alekizanda Omukulu, ensi yonna bw'eriba eyolekedde eby'enfuna ebikwatagana n'amaanyi ga Amerika, ng'ewaliriza ensi yonna okuvunnamira Eklezia Katolika, bwe baba baagala okusobola okugula n'okutunda.

Obwakabaka obw'omusanvu mu Okubikkulirwa omutwe 17, bwe buba bakabaka kkumi; era ekimu ku bifa mu bunnabbi ebikwata ku bakabaka abo kkumi kwe kuba nti beeyongerayo okumala "ekiseera kitono," nga tebannakkiriziganya ku kuwa obwakabaka bwabwe obw'omusanvu eri mukazi omwenzi owa Babulooni, atagumira wamu wabula okumala "ssaawa emu" yokka. Ensonga ey'obunnabbi lw'ekkiriza endagaano eyo, ye kuba nti batamiddwa wayini wa Babulooni. Mu byafaayo, Alekizanda Omukulu yafuga ekiseera kitono, kubanga obulamu bwe bwaggwa mangu nga bwe butandika okuteekebwawo obwakabaka bwe, kubanga yanywa omwenge ennyo n'afiira; ne kiba akabonero akalaga ekiseera kitono n'okutamirwa kw'abakabaka kkumi ab'United Nations. Nga mangu ddala bwe yayimirira, Alekizanda Omukulu n'amenyeka, era obwakabaka bwe ne bugabanibwa eri empewo ennya, nga bino biraga okulwana okwaddirira okw'okuddamu okuzzaawo obwakabaka bwe obw'edda.

Era nange mu mwaka ogusooka ogwa Darayo Omumedi, nnayimirira okumukakasa n'okumunyweza. Kaakano ndikukubulira amazima. Laba, mu Buperesiya walijja okuyimirira bakabaka basatu; ate ow'okuna aliba omugagga nnyo okusinga bonna, era olw'amaanyi ge agava mu bugagga bwe aluzuukusa bonna okulwanyisa obwakabaka bwa Buyonaani. Era alijja okuyimirira kabaka ow'amaanyi, alifuga n'obuyinza obunene era akole nga bw'ayagadde. Naye bwe anaayimirira, obwakabaka bwe bulimenyesebwa era bugabwangamu ku mpewo ennya ez'eggulu; so si eri abaana be ab'obuzaale, newaakubadde ng'okulingana n'obuyinza bwe bwe yafuganga; kubanga obwakabaka bwe buliggibwawo ne bukiweebwa abalala abatali abo. Danyeri 11:1-4.

Obwakabaka bwa Aleksanda bwayatika mangu nga bwe bwagattibwa wamu, kubanga bukiikirira ennaku ez'enkomerero, mu zo obunnabbi bumanyibwa nti butuukirira mangu.

"Ebitongole eby'obubi bikunjaanya amaanyi gaabyo era binyweza obumu bwabyo. Biri kweyongera amaanyi okutegekera ekizibu ekinene eky'enkomerero. Enkyukakyuka ennene ziri kumpi okubeerawo mu nsi yaffe, era ebikolwa eby'enkomerero bijja kuba bya mangu nnyo." Testimonies, volume 9, 11.

Obulumi obw'okusatu obwa Isulaamu buzimbiddwa ku mpisa ez'obunnabbi ez'obulumi obw'olubereberye n'obw'okubiri. Mu bulumi obw'olubereberye waaliwo ekiseera ekyatandika n'okutuuka kwa Mohammed ne kigenda mu maaso okutuusa ku kiseera ekiddako, ekimanyiddwa ng'"emyezi etaano" oba emyaka kikumi mu ataano, mwe Isulaamu yali "kulumya" eggye lya

Rooma. Enkomerero y'obunnabbi bw'ekiseera eky'emyaka kikumi mu ataano mu kiseera kye kimu eteeka akabonero ku ntandikwa y'obunnabbi bw'emyaka ebikumi bisatu mu kyenda mu gumu n'ennaku kkumi na ttaano, mwe Isulaamu ow'Obulumi obw'Okubiri yali oluvannyuma "kutta" eggye lya Rooma.

Nga 11 Ssebutemba 2001 kwalaga okutuuka kw'ekiseera ekikiikirirwa Mohammed ow'akabi akasooka, era kino kizingiramu nga 7 Okitobba 2023 kye kabonero akalaga okutandika kw'ekiseera Islam lwe yali agenda "okulumya" "eggye lya Rooma" mu "Nsi Ennungi" ey'edda ey'amazima, eno nga kye kifaananyi kya United States; era okuva nga 7 Okitobba 2023, okulumba okwa Islam ku ggye lya Rooma, kweyongera okusembera ku bibiri ku kkumi eby'enkumi mu kiseera eky'okuwandika ekiwandiiko kino nga 17 Febwali 2024.

Mu kiseera ky'etteeka lya Ssande ekiriko okujja mangu, Amerika ey'Obumu 'ekuttibwa' ng'obwakabaka obw'omukaaga mu bunnabbi bwa Baibuli, ekyo ekifaanagana n'emyaka 391 n'ennaku 15 egy'obulumbaganyi bw'Abaisiraamu ebyatta amajje ag'edda ag'e Loma, nga olutalo lwa jihad yaabwe ey'okusatu ennene lweyongera okukazibwa. Bw'ayimirira Mikaeri, ekiseera ky'okugezesebwa kw'abantu kiggwaawo, era empewo ennya zirekululwibwa ddala mu kiseera ky'ebikolimo omusanvu eby'enkomerero.

Nalaba nti obusungu bw'amawanga, obusungu bwa Katonda, n'ekiseera eky'okulamula abafu byali byeyawule era by'enjawulo, buli kimu nga kigoberera ekirala; era nti Mikaeri tannayimirira, ne nti ekiseera eky'obuzibu, nga tewabangawo kya kifaanana bwe kityo, tekyali kitandise. Kati amawanga gatandise okusunguwala, naye kabona waffe asinga obukulu bw'anaamaliriza omulimu gwe mu kifo ekitukuvu, alinyimirira, ayambale ebyambalo by'okuwoolera ensasu, era olwo ebibonoobono omusanvu ebisembayo bijja kufukibwa.

Nalaba nti abamalayika bana baali bagenda okuziyiza empewo ennya okutuusa nga omulimu gwa Yesu guwedde mu Watukuvu, oluvannyuma ne zijja ebikolimo musanvu eby'enkomerero. Ebiwandiiko Ebyasooka, 36.

"Empewo ennya" Sister White azikiikirira nga "embalaasi esunguwadde, enoonya okwekomola n'ereeta okufa n'okuzikiriza mu kkubo lyayo," era zirekebwa ddala mu bujjuvu ekiseera ky'okugezesebwa bwe kiggalwa. Zaali ziragiddwa nga zirekeddwa mu kibonyoobonyo ekyokubiri nga "bamalayika bana," so si mpewo nnya.

Ng'agamba malayika ow'omukaaga eyalina ekikondeere nti, Sumulula bamalayika bana abaasibiddwa mu mugga omukulu Efurati. Era bamalayika bana ne basumululwa, abaali baategekeddwa ku ssaawa emu, n'olunaku lumu, n'omwezi gumu, n'omwaka gumu, okutta ekitundu ekya ssatu ky'abantu. Okubikkulirwa 9:14, 15.

'Empewo ennya', oba 'bamalayika abanne', byombi bibonero by'Obusiraamu okusenziira ku mbeera mwe kikozebwa ekibonero. Bwe yayimirira Alekisanda Omukulu, obwakabaka bwe, obuyimirira ng'obwakabaka bwa musanvu, nga ky'ekitundu kimu ku bisatu eky'obwakabaka bwa ddiragoni, bwa nsolo ne bwa nnabbi ow'obulimba; 'bwe ayimirira, obwakabaka bwe bunaamenyeka, era bunaagabanyizibwa eri empewo ennya ez'eggulu.' Bwe kiggwaawo ekiseera ky'okugezesebwa kw'abantu, empewo ennya, oba bamalayika abanne, basumululwa, ne bamenya

obwakabaka bwe, kubanga obwakabaka bwe ‘bunaamenyeka.’ Abo bakabaka ekkumi n’abannaabwe, abasuubuzi ba ggaalobaali, balyimirira wala ne beekungubaga era ne bakaaba.

Kubanga, laba, bakabaka baakuŋjaanira wamu; ne bayita wamu. Baakiraba, ne beewuunya; ne beeraliikirira, ne banguwa okudduka. Entiisa n’ebakwata eyo, n’obulumi ng’obw’omukazi alumwa okuzaala. Ommenya amaato ga Talusisi n’empewo ey’obuvanjuba. Zabbuli 48:4–7.

Enteekateeka y’eby’enfuna ey’abakabaka kkumi emenyebwa olw’"omuyaga ogw’obuvanjuba" ogw’Obusiraamu.

Abavuga ebyombo byo bakututte mu mazzi amanene; omuyaga ogw’Obuvanjuba gukumenye mu makkati g’ennyanja. Obugagga bwo, n’obutale bwo, ebyamaguzi byo, abakozi b’ebyombo byo, n’abakulembeze b’ebyombo byo, abazibira ebyombo byo, n’abasuubuzi b’ebyamaguzi byo, n’abalwanyani bo bonna abali mu ggwe, n’ekibiina kyo kyonna ekiri mu makkati mu ggwe, banaagwa mu makkati g’ennyanja ku lunaku lw’okuzikirira kwo. Ezekyeri 27: 26, 27.

Empewo y’obuvanjuba ey’Obusiraamu emenya obwakabaka bw’abakabaka ekkumi mu "olunaku lw’okuzikirira kwabwe," nga bwe kiragibwa mu ngeri obwakabaka bwa Alekisaanda Omukulu bwe "bwamennyebwa" ne buweebwa eri empewo ennya. Ebitundu bingi ebyafaayo ebiri mu mutwe ogw’ekumi n’emu ogwa Danyeri bijja kuddamu nga omutwe ogwo gutuuka ku kutuukirira kwagwo okusembayo. Okutegeera wa w’okugabanira ebyafaayo ebyo mu ngeri entuufu kye mulimu gw’obunnabbi gw’abo abayitibwa okuba abayizi b’obunnabbi. Ennyiriri mukaaga ez’enkomerero ez’omutwe ogw’ekumi n’emu ogwa Danyeri zikkomekkera ku kuggalawo kw’ekiseera ky’ekisa ky’abantu, Mikaeri bw’ayimirira. Obwakabaka bwa Alekisaanda Omukulu bwe bugabanyizibwa eri empewo ennya, bukiikirira okuggalawo kw’ekiseera ky’ekisa, era bukakasa nti ebyafaayo eby’obunnabbi ebigoberera okuva ku lunyiriri olutaano okweyongerayo biteekwa okulabibwa ng’omulongo omuggya gw’obunnabbi.

Olunyiriri okuva ku lunyiriri olwokutaano okutuuka ku lwa kkumi na mukaaga lulaga ebyafaayo okuva mu 538 okutuuka ku tteeka lya Ssande erigenda okujja mangu. Ennyiriri okuva ku ttaano okutuuka ku mwenda zikiikirira ebyafaayo eby’emyaka lukumi mu bibiri mu nkaaga egy’obufuzi bwa Papa obwatandika mu mwaka 538 ne bukomekkerezebwa mu kiseera eky’enkomerero mu 1798. Olunyiriri olw’ekumi lulaga ebyafaayo ebifaanana n’olunyiriri olw’amakumi ana, obwaPapa bwe bwakunkumula ne butwala Soviet Union mu kiseera eky’enkomerero mu 1989. Ennyiriri ez’ekumi n’emu n’ekumi na bbiri ziraga olutalo olw’omukago oluliwo kati mu Ukraine, Putin ne Russia lwe bagenda okuwangula, naye ebyaddirira obuwanguzi bwa Putin bijja kufaanana ne “olutalo lwa Nineveh,” era ne “okugwa kwa Chosroes,” ekyali “ekisumuluzo ekyaggulawo obunnya obutalina wansi” ekyata Islam mu byafaayo by’ekibonyoobonyo ekisooka.

Oluvannyuma lwa Putin olw’ekiseera ekimpi, Amerika, mu nnyiriri kkumi na ssatu okutuuka ku kkumi na ttaano, eriwangula olutalo olw’omu kiseera olw’abantu abalala okulwana mu kifo kyabwe; kwe kugamba, eyo ye nkomerero y’olutalo olwo olw’abantu abalala okulwana mu kifo kyabwe olwali lubaddewo okuva ku Lutalo lw’Ensi yonna olw’Okubiri. Ekitundu kino kiraga entalo ssatu: olutalo olusooka lwakoma mu 1989, mu kutuukirizibwa kw’ennyiriri kkumi na amakumi ana; olw’okubiri lwe lutalo oluliwo kati mu Ukraine, era lukiikirira ennyiriri kkumi

n'emu ne kkumi na bbiri; ate olutalo olw'okusatu olw'abantu abalala okulwana mu kifo kyabwe, olukiikirira obuwanguzi obusembayo obwa Amerika, lukiikirirwa mu nnyiri kkumi na ssatu okutuuka ku kkumi na ttaano.

Ekyetaagisa okumanyibwa ku biseera bino ebina ebikiikiriddwa okuva ku lunyiriri olw'okutaano okutuuka ku olw'ekkumi n'ettano, kwe kuba nti ebiseera ebibiri eby'oluvannyuma, ebikiikirira olutalo oluliwo kaakano mu Ukraine, n'oluvannyuma okuwalanamu kwa Amerika, bibawo mu kiseera eky'okuteekebwako akabonero. Olunyiriri olw'ekkumi na mukaaga lulaga etteeka lya Ssande erigenda okujja mangu mu Amerika. Ennyiriri okuva ku ttaano okutuuka ku kkumi zikiikirira ebyafaayo okuva mu 538 okutuuka ku kiseera eky'enkomerero mu 1798, era ne bigenda mu maaso okutuuka ku kiseera eky'enkomerero mu 1989. N'olwekyo entalo ebbiri ez'olutalo olusembayo olw'abalala okulwanira mu kifo kyabwe, ezikiikiriddwa mu nnyiriri okuva ku kkumi n'emu okutuuka ku kkumi n'ettaano, zituukirizibwa mu kiseera Ezeekyeri essuula ey'ekkumi n'ebiri we eraga nti ekiva mu kwolesebwa kwonna kituukirizibwa.

Ebyo ebyolesebwa byaalabisibwa eri Ezeekyeri nga "ebigaali mu ebigaali", nga Sister White abyategeeza nga "okukolaganamu okuzibu kw'ebintu eby'abantu." Ebyafaayo by'olutalo mu Yukureini, obuwanguzi bwa Putin, era oluvannyuma n'okufiirawo kwe ne kugobererwa obuwanguzi bwa Amerika ey'Obumu, kye kimu ku by'okubikkulirwa ebizibu ennyo eby "olunyiriri ku linyiriri" mu Kigambo kya Katonda.

Ng'annyonyola ku "wheels within wheels" eza Ezekiel, Sister White agamba nti bwe Ezekiel yasooka okulaba ezo "wheels" byamulabikira ng'akavuyo, naye oluvannyuma yategeera nti waliwo enntekateeka etuukiridde mu "wheels" ezo, nga zitegeeza "okukolagana okuzibu okw'ebintu ebyafaayo by'abantu". Okusobola okugabanya mu butuufu ebyafaayo ebiragiddwa mu nnyiriri 11 okutuuka ku 15, obukwataganye wakati w'Ekkansa Katolika ne Bugirimaani bwa Nazi bulina okutegeerwa bulungi, kubanga abakulembeze ba Nazi mu Yukureini be bakikirira obukwataganye obwo.

Kyetagisa era okutegeera omugaso gw'okulabika kwa Maliya eyitibwa nti omuwala e Fatima, e Potugaali mu 1918, nga kuliko n'ebiyama bisatu bye yalekera abaana basatu abajjukirwa mu byafaayo ebyo. Ensingiro y'obubaka obusatu obwo, obulondoola okulwanagana wakati w'Ekkansa Katolika ne Lasha etakkiriza Katonda, n'Olutalo Olw'ensi Yonna Olw'okubiri, eri mu bubaka bwa Fatima obulabikira mu lutalo oluli mu Yukureini.

Okuvumbaganya kw'Abafalansa, n'enkolagana yaakwo ey'obunnabbi ne kkanisa ya Kalisoliiki, era ku nkomerero ne Napoleon Bonaparte, akiikirira Putin, naky kye kimu ku "namuziga" ezikiikiriddwa mu lutalo oluli mu Ukraine. Enkolagana ey'obunnabbi ey'Okvumbaganya kw'Abafalansa ne Amerika nayo ekiikirirwa mu byafaayo, kubanga nga Putin bw'akiikirirwa Napoleon mu kiseera nga Bufalansa bugwa, bwe kityo n'omuzannyi ow'edda Ronald Reagan, ng'omukulembeze w'eggye lya Kalisoliiki mu lutalo lwa 1989, alaga mu kifaananyi omuzannyi ow'edda Zelenskyy nga Ukraine egwa. Mu namuziga ezo ezisalagana era ne zikwatagana mu nnyiriri zino, ekisembayo okumenya omugongo gw'enjamira eri bannabyabufuzi ba Democrat mu Amerika, abadde era abakyalambulula Zelenskyy, kijja kubikkulibwa Putin bw'aliwangula.

Tujja kugenda mu maaso n'okunoonyereza kuno mu kiwandiiko ekiddako.

Ku mabbali g'omugga Kebali, Ezekyeri yalaba omuyaga oguzungulukiranga ng'ogiva mu bukiikakkono, 'ekire ekinene, n'omuliro ogweebungiridde, era ekitangaala kyali kimwetooolodde; era mu makkati gaakyo nga langi ya amber.' Amaggaali amangi, nga gasalaganamu, gaatambulizibwa ebiramu bina. Waggulu nnyo ku bino byonna 'waalabika omufaananyo gw'entebe ey'obwakabaka, ng'obulabika bw'ejjinja lya safayiri: era ku mufaananyo gw'entebe kwaliko omufaananyo ng'obulabika bw'omusajja, waggulu ku yo.' 'Era mu Bakerubi ne walabika ekifaananyi ky'omukono gw'omuntu wansi w'ebiwaawaatiro byabwe.' Ezekyeri 1:4, 26; 10:8. Amaggaali gaali gategekeddwa mu ngeri enzirugavu okutuusa nti mu lutunuzi olwasooka gaalabika nga gali mu kavuyo; naye gaatambula mu kutegeerekagana okutukuvu. Ebitonde eby'omu ggulu, nga byawagirirwa era nga bikulirirwa omukono oguli wansi w'ebiwaawaatiro bya Bakerubi, bye byasindika amaggaali ago; waggulu waabyo, ku ntebe ya safayiri, waaliwo Ataggwaawo; era okutooolola entebe kwaliko omusoke, akabonero k'ekisa kya Katonda.

Ng'ebizibu ebifaanagana n'emipiira byali wansi w'okukulemberwa kw'omukono ogwali wansi w'ebiwaawaatiro by'Abakerubiimu, bwe kityo enkwatagana enzibu y'ebyo ebibaawo mu bantu kiri wansi w'obukulembeze bwa Katonda. Mu ntalo n'okutabanguka kw'amawanga, Oyo atuula waggulu w'Abakerubiimu akyakulembera emirimu g'ensi.

Ebyafaayo by'amawanga agalondagana, buli limu nga libeerayo mu kiseera n'ekifo ebyaaliteekebwawo, nga tebalimanyi babeera obujulizi ku mazima ge batategeera makulu, bitugamba. Eri buli ggwanga ne buli muntu ow'ennaku zino, Katonda awadde ekifo mu nteekateeka ye ennene. Leero abantu n'amawanga bapimibwa n'omugo ogupimisa oguli mu mukono gw'Oyo atakola nsobi. Bonna, olw'okusalawo kwabwe bokka, beesalira ekkomerero yaabwe, era Katonda abifuga n'abiragira okutuukiriza ebigendererwa bye.

Ebyafaayo Omukulu 'Nze Ndi' bye yabikalambaza mu Kigambo kye, ng'aggattaganya ekitundu ku kitundu mu ketaani ky'obunnabbi, okuva mu butaggwaawo obw'edda okutuuka mu butaggwaawo obw'omu maaso, bitulaga we tuli leero mu kuddiriragana kw'emirembe, n'ebisobola okusuubirwa mu biseera ebigenda okujja. Byonna eby'obunnabbi bye byalagula nti bijja okutuuka, okutuusa ku kiseera kino, byalondoolwa ku miko gya byafaayo, era tusobola okuba abakakamu nti byonna ebinnajja bijja kutuukirira mu nteekateeka yaabyo.
