

# Igitabo cya Daniyeli — Ijana na Mirongo Itandatu na Kane

*Ubusobanuro bw'Ubuhanuzi bwa Daniyeli 11: Guhishura Ingaruka z'Amateka n'iz'ahazaza*

Jeff Pippenger  
2024-03-28

Mu murongo wa cumi na gatandatu wa Daniyeli cumi na umwe, hagaragazwa ugutsindwa kwa Yuda na Yerusalemu na Pompeyi mu mwaka wa 63 mbere ya Kristo. Ibi bishushanya itegeko ryo ku Cyumweru rigiye kuza vuba muri Leta Zunze Ubumwe z'Amerika, mu gusohozwa kw'umurongo wa mirongo ine na umwe w'icyo gice nyine. Amateka afitanye isano n'uwo murongo agaragaza intambara y'abaturage iba irimo kuba igihe umujyi ufatwa, bityo akamenyekanisha ugusubirwamo kw'Intambara y'Abanyamerika yo mu Gihugu ubu irimo kuba muri Leta Zunze Ubumwe z'Amerika. N'iyi amasasu yaba atarashwe, amatsinda abiri ubu ari mu rugamba rwo kugenzura Leta Zunze Ubumwe z'Amerika. Igihe Pompeyi yatsindaga Yerusalemu, byagaragaje ko Yerusalemu yari gukomeza kuba muni y'ubutegetsi bw'Abaroma kugeza irimbuwe mu mwaka wa 70 nyuma ya Kristo. Bityo, byari ikigereranyo cy'itegeko ryo ku Cyumweru rigiye kuza vuba, ari ryo riranga iherezo ry'ubwami bwa gatandatu bw'ubuhanuzi bwa Bibiliya.

Pompey ni uwa mbere mu butegetsi bune bw'Abaroma bugaragazwa muri uwo murongo. Marc Antony, wari Umuruma, na we aravugwamo, ariko muri ubwo butegetsi bune bugaragazwa nk'abayobozi b'Abaroma, Antony ahagarariye ubuyobozi bw'Abaroma bwigometse bukagirana isezerano na Egiputa burwanya Roma. Pompey, Julius Caesar, Augustus Caesar na Tiberius Caesar ni bo Baroma bane bakoreshwa mu buryo bw'ubuhanuzi kugira ngo bahagararire ibisekuru bine by'ihembe rya Repubulika ry'inyamaswa yo mu isi.

Pompey, ugereranya n'ubwigomeke bw'Intambara y'Abanyagihugu ya Amerika mu gisekuru cya 1863, na we kandi agaragaza igisekuru cya nyuma n'"intambara y'abanyagihugu" iriho ubu itangiye. Julius Caesar agereranya igisekuru cya kabiri, igihe Leta Zunze Ubumwe za Amerika zari zimaze gushingwa neza nk'ishyamba riruta andi mahanga, ariko yiciwe mu 1913, igihe ubusugire bw'imikorere y'imari bwashyikirizwaga gahunda y'amabanki y'abanyaburinganire b'isi, maze umurimo wo gushyiraho ubutegetsi bumwe bw'isi ugatangira. Caesar Augustus agereranya imyaka y'icyubahiro y'intambara ebyiri z'isi, ubwo nubwo habayeho kumeneka kw'amaraso, Leta Zunze Ubumwe za Amerika zabaye ishyamba ryifujwe n'isi yose. Hanyuma mu gisekuru cya nyuma, Tiberius Caesar, wari uzwiho ubusinzi no kubambwa kwa Kristo, agereranya igihe mu by'ukuri cyatangiranye n'itorwa rya John F. Kennedy, Perezida wa mbere w'Umugatolika, bityo bikerekana igisekuru cyari kuzunamira Roma.

Ibi bibazo by'ubuhanuzi bifitanye isano na Pompey ni iby'ingenzi, ariko muri iki gihe turibanda ku mateka y'ubuhanuzi abanziriza Pompey n'umurongo wa cumi na gatandatu, amateka atangirira mu

mirongo ibiri ya mbere y'iki gice agaragaza 1989 nk'igihe cy'imperuka, hanyuma akerekana Perezida wa gatandatu ukize kuva kuri Reagan, ubyutsa abashyigikiye ubutegetsi bw'isi yose, nk'uko rwose Trump yabigezeho.

Trump agereranywa n'umutegetsi wa kane wakurikiye Kuro, witwa Zerugisesi, umwami w'u Buperesi wari umukire, uzwi kandi nka Ahasuwerusi mu nkuru ya Esiteri. Muri icyo mirongo, umwami ukurikiraho nyuma ya Zerugisesi ni Alekisanteri Mukuru mu murongo wa gatatu. Mu mateka, hagati ya Zerugisesi na Alekisanteri Mukuru habayeho abategetsi umunani. Uhereye kuri Trump kugeza kuri guverinoma imwe y'isi yose igereranywa na Alekisanteri Mukuru, hagereranywa abami icumi; Trump akaba uwa mbere, na Alekisanteri akaba uwa nyuma.

Imirongo y'ubuhanuzi igaragaza ko abami bose bo mu isi bazasambana n'ubupapa ku iherezo ry'isi, kandi abo bami bagaragazwa nk'"abami icumi." Ahabu, wari umutwe w'ubwami bwikubye inshuro icumi, kandi wari warashakanye na Yezebeli, ahagarariye ukuri k'uko, nubwo abami bose uko ari icumi basambana n'ubupapa, hariho umwami umwe w'ingenzi ari we ubikora bwa mbere. Ubwa mbere ubupapa bwahawe intebe y'ubwami bw'isi, umwami w'ingenzi yari Klovisi, umwami w'Abafaranki (Ubufaransa) mu mwaka wa 496 nyuma ya Kristo. Ibi bihujye n'uko ubupapa bwahaye Ubufaransa izina ry'imfura ya kiliziya Gatolika, n'umukobwa mukuru wa kiliziya Gatolika.

Umurimo w'ubuhanuzi wakoze n'Ubufaransa mu gushyira i Roma ku ntebe y'ubwami bw'isi y'abasiviliye, ushushanya umurimo w'ubuhanuzi wa Leta Zunze Ubumwe z'Amerika. Itegeko ryo kubahiriza ku Cyumweru ryo mu buhanuzi bwa Bibiliya ritangirira muri Leta Zunze Ubumwe z'Amerika, hanyuma buri gihugu cyo mu isi kigakurikiza urwo rugero. Umurongo umwe w'ubuhanuzi ukurikira undi, ugaragaza ko umwami mukuru w'abami icumi, ari we wa mbere kandi w'imbere muri bose ukorana ubusambanyi n'umuntu w'icyaha mu minsi ya nyuma, ari Leta Zunze Ubumwe z'Amerika. Nubwo nta bami bagaragazwa hagati ya Kserigisi, umwami wa mbere wari umukire, na Alegizandere Mukuru, umwami wa nyuma, mu murongo wa kabiri n'uwa gatatu, amateka agaragaza abami icumi. Umubare icumi ushushanya ikigeragezo, kandi nanone ushushanya ihuriro ry'ibihugu.

Ikigeragezo isi gihanganye na cyo ni ugushyiraho gahunda y'isi yose, igereranywa nk'igishushanyo cy'inyamaswa. icyo kigeragezo gitangirira muri Leta Zunze Ubumwe z'Amerika ku itegeko ryo ku Cyumweru rigiye kuza vuba, kandi kirangira igihe buri gihugu cyose cyo ku isi kizaba gikurikije urwo rugero. Yesu buri gihe yerekana iherezo ry'ikintu ahereye ku ntangiriro yacyo; bityo rero, nubwo hagati y'umwami ukize n'Aleksanderi nta bandi bami bavugwa mu mirongo ya kabiri n'iya gatatu, amateka agaragaza uburyo bwo kugeragezwa butangirana na perezida wari umukire kurusha abandi, wakize abikesha ibikorwa bye by'ubucuruzi, atari ukubera ko yaremesheje ubutunzi binyuze mu kwitabira gahunda ya politiki yononekaye.

Izina Amerika rikomoka ku buryo bw'Ikilatini bw'izina "Amerigo," rikaba rituruka ku mushakashatsi w'Umutaliyani Amerigo Vespucci, wari umuvumbuzi n'umuyobozi w'ingendo zo mu nyanja wakoze ingendo nyinshi ajya mu Isi Nshya mu mpera z'ikinyejana cya 15 no mu ntangiriro z'ikinyejana cya 16. Muri rusange, ubushakashatsi bwa Vespucci bwashobotse binyuze

mu nkunga y'amafaranga n'ishoramari ry'imari by'abaterankunga n'abamuteraga inkunga babonaga amahirwe ashoboka yo kubona inyungu, kwaguka, no kugira icyubahiro mu bushakashatsi bw'Isi Nshya. Izina "Amerika" ni ikimenyetso cy'umuhate wo kubara inyungu.

Yesu buri gihe agaragaza iherezo ry'ikintu afatanyije n'itangiriro ryacyo, kandi itangiriro ry'abami icumi bahagarariye urusobe ruhuza ubwami bw'amahembe abiri bw'Abamedi n'Abaperesi n'ubutegetsi bumwe bw'isi yose buhagarariwe na Alekisanderi Mukuru, ritangirana n'umwami ukize, ari we Perezida w'ubwami bushushanywa n'Ubufaransa na Ahabu, na we kandi uzahinduka umutwe uhagarariwe na Alekisanderi Mukuru, igihe isi yose izahura n'ubukungu bufitanye isano n'ububasha bwa Leta Zunze Ubumwe za Amerika, mu gihe izaba ihatira isi yose kunamira Kiliziya Gatolika, niba ishaka kubasha kugura no kugurisha.

Ubwami bwa karindwi bwo mu Byahishuwe igice cya cumi na karindwi, ni abami icumi; kandi kimwe mu biranga ubwo buhanuzi bw'umwe muri abo bami icumi, ni uko bakomeza kubaho "igihe gito" gusa, mbere y'uko bemera guha ubwami bwabo bwa karindwi maraya w'i Babuloni, bwo ubwabwo bumara hamwe "isaha imwe" gusa. Impamvu y'ubuhanuzi ituma bemera ayo masezerano ni uko basinze divayi ya Babuloni. Mu mateka, Alegizandere Mukuru na we yategetse igihe gito gusa, kuko ubuzima bwe bwari bumaze gushingwa, kuko yanyoye kugeza apfuye; bityo agereranya icyo gihe gito n'ubusinzi bw'abo bami icumi b'Umuryango w'Abibumbye. Ako kanya ako Alegizandere Mukuru yahagurutse yaravunwe, maze ubwami bwe buhabwa imiyaga ine, ibyo bikerekana urugamba rwakurikiyeho rwo kongera gushyiraho ubwami bwe bwa mbere.

Kandi nanjye, mu mwaka wa mbere wa Dariyo Umumedi, narahagaze kugira ngo mukomeze kandi mumwongerere imbaraga. Noneho ngiye kukwereka ukuri. Dore, haracyahaguruka abami batatu mu Buperesi; maze uwa kane azarusha bese ubutunzi cyane; kandi kubw'imbaraga ze zishingiye ku butunzi bwe azashishikariza bese guhagurukira ubwami bw'Ubugereki. Hanyuma hazahaguruka umwami ukomeye, uzategekeshya ubutware bukomeye, kandi agakora ibyo yishakiye. Ariko amaze guhaguruka, ubwami bwe buzasenyuka, kandi buzagabanywa bugana mu muyaga ine zo mu ijuru; ariko ntibuzajya ku rubyaro rwe, kandi ntibuzaba nk'ubutware bwe yategekeshaga: kuko ubwami bwe buzarandurwa, bugahabwa abandi batari bo. Daniel 11:1-4.

Ubwami bwa Alegizandere kwasenyutse vuba nk'uko bwahise bushyirwaho, kuko bugaragaza iminsi y'imperuka, aho ubuhanuzi bugaragazwa ko busohora vuba.

"Imbaraga z'ibibi zirimo guhuriza hamwe imbaraga zazo no kwishyira hamwe. Zirimo kwikomeza ku bw'ingorane ikomeye ya nyuma. Impinduka zikomeye zigiye kubaho bidatinze mu isi yacu, kandi ibikorwa bya nyuma bizihuta." Testimonies, volume 9, 11.

Ibyago bya gatatu bya Isilamu bishingiye ku miterere y'ubuhanuzi bw'ibyago bya mbere n'ibya kabiri. Mu cyago cya mbere habayemo igihe cyatangiranye no kuza kwa Mohammed, kigakomeza kugeza ku gihe gikurikiyeho, kigaragazwa nk'"amezi atanu" cyangwa imyaka ijana na mirongo itanu, ari na cyo Isilamu yari "kubabazamo" ingabo z'i Roma. Iherezo ry'ubuhanuzi bw'igihe cy'imyaka ijana na mirongo itanu icyarimwe riranga itangiriro ry'ubuhanuzi bw'imyaka magana

atatu na mirongo cyenda n'umwe n'iminsi cumi n'itanu, aho Isilamu yo mu Cyago cya kabiri yari noneho “kwica” ingabo z'i Roma.

Tariki ya 11 Nzeri 2001 yaranze ukuza kw'igihe gihagarariwe na Mohammed wo mu marira ya mbere, kikubiyemo tariki ya 7 Ukwakira 2023 nk'igaragaza itangira ry'igihe ubwo Islamu yari “kugirira nabi” “ingabo za Roma” mu “Gihugu Cyiza” cya kera nyir'izina, ari cyo gihagararira Leta Zunze Ubumwe z'Amerika, kandi kuva tariki ya 7 Ukwakira 2023 ibitero bya Islamu byo kurwanya ingabo za Roma byegereje magana abiri mu gihe cy'iyandikwa ry'iyi nyandiko ku wa 17 Gashyantare 2024.

Mu gihe cy'itegeko ryo ku cyumweru rigiye kuza vuba, Leta Zunze Ubumwe za Amerika “zicwa” nk'ubwami bwa gatandatu bwo mu buhanuzi bwa Bibiliya; ibyo bikaba bihwanye n'imyaka magana atatu na mirongo cyenda n'umwe n'iminsi cumi n'itanu y'ibitero bya Kisilamu byishe ingabo za mbere za Roma, uko intambara ya jihadi yabo ya gatatu ikomeye irushaho gukaza umurego. Igihe Mikayeli ahagurutse, igihe cy'igeragezwa cy'umuntu kirarangira, kandi ya miyaga ine irekurwa rwose mu gihe cy'ibyago birindwi bya nyuma.

“Nabonye ko uburakari bw'amahanga, uburakari bw'Imana, n'igihe cyo gucira urubanza abapfuye byari bitandukanye kandi byihariye, kimwe gikurikira ikindi; kandi nabonye ko Mikayeli atari arahaguruka, kandi ko igihe cy'amakuba, atigeze kubaho nkayo, kitari cyatangira. Ubu amahanga ari kurakara; ariko Umutambyi Mukuru wacu namara kurangiza umurimo We ahera, azahaguruka, yambare imyambaro yo kwihorera, maze ibyago birindwi bya nyuma bisukweho.

“Nabonye ko abamarayika bane bazafata imiyaga ine kugeza ubwo umurimo wa Yesu uzaba urangiye ahera, hanyuma hakaza ibyago birindwi bya nyuma.” Inyandiko za Mbere, 36.

“Miyaga ine” igereranywa na “ifarashi irakaye, ishaka kwigobotora no kuzana urupfu n'irimbuka aho inyura hose,” nk'uko byagaragajwe na Mushiki wa White, kandi irekurwa burundu igihe igihe cy'igeragezwa kirangiye. Yagaragajwe nk'irekuwe mu byago bya kabiri ari “abamarayika bane”, atari imiyaga ine.

Abwira marayika wa gatandatu wari ufite impanda ati: “Bohora ba bamarayika bane baboshywe ku ruzi runini rwitwa Ufurate.” Nuko ba bamarayika bane barabohorwa, bari barateguriwe isaha, n'umunsi, n'ukwezi, n'umwaka, kugira ngo bicemo kimwe cya gatatu cy'abantu. Iyahishuwe 9:14, 15.

“Imiyaga ine”, cyangwa “abamarayika bane”, byombi ni ibimenyetso bya Isilamu nk'uko bigaragazwa n'imiziro ikoreshwamo. Igihe Alexandre Mukuru yahagurukaga, ubwami bwe, bugereranya ubwami bwa karindwi, ari bwo kimwe cya gatatu cy'ubwami bw'incuro eshatu bw'igisato, bw'innyamaswa n'ubw'umuhanuzi w'ibinyoma; “nahagarara, ubwami bwe buzavunagurwa, kandi buzagabanyirizwa ku miyaga ine yo mu ijuru.” Igihe igihe cy'igeragezwa cy'abantu kirangiye, ya miyaga ine, cyangwa ya bamarayika bane, bararekurwa, maze bakavunagura ubwami bwe, kuko ubwami bwe “buzavunagurwa.” Abo bami icumi n'abo bafatanyije, abo bacuruzi b'isi bose, bazahita bahagarara kure, barire, baboroge kandi batabare.

Kuko rero, dore abami bari bakoranye, bararenganaga bari hamwe. Barabibonye, nuko baratangara; bahagarikwa umutima, maze bihutira guhunga. Ubwoba bwabafatiye aho, n'uburibwe nk'ubw'umugore uri ku bise. Wamena amato y'i Tarushishi umuyaga uturutse iburasirazuba. Zaburi 48:4-7.

Imiterere y'ubukungu bw'abami icumi isenywe n'"umuyaga w'iburasirazuba" wa Islamu.

Abasare bawe bakugejeje mu mazi menshi; umuyaga w'iburasirazuba wakumenaguye uri hagati y'inyanja. Ubutunzi bwawe, n'amasoko yawe, n'ubucuruzi bwawe, abasare bawe n'abatwara amato bawe, abahoma amato bawe, n'abakora ubucuruzi bwawe, n'abarwanyirye bawe bose bari muri wowe, hamwe n'iteraniro ryawe ryose riri hagati muri wowe, bazagwa hagati y'inyanja ku muni wo kurimbuka kwawe. Ezekiyeli 27:26, 27.

"Umuyaga w'iburasirazuba" wa Islamu umena ubwami bw'abami icumi ku "muni wo kurimbuka kwabo," nk'uko bigaragazwa n'uko ubwami bwa Alegizandere Mukuru "bwamennye" maze bugahabwa imiyaga ine. Igice kinini cy'amateka cyabaye muri Daniyeli igice cya cumi na kimwe kizongera kubaho uko icyo gice cya cumi na kimwe kigeze ku isohozwa ryacyo rya nyuma. Kumenya aho ayo mateka agomba kugabanyirizwa neza ni umurimo w'ubuhanuzi w'abahamagariye kuba abanyeshuri b'ubuhanuzi. Imirongo itandatu ya nyuma ya Daniyeli igice cya cumi na kimwe irangirira ku isoza ry'igihe cy'igeragezwa ry'abantu, igihe Mikayeli ahaguruka. Igihe ubwami bwa Alegizandere Mukuru bugabanyijwe ku miyaga ine, bigereranya isoza ry'igihe cy'igeragezwa, kandi bikagaragaza ko amateka y'ubuhanuzi akurikira guhera ku murongo wa gatanu agomba gufatwa nk'umurongo mushya w'ubuhanuzi.

Umurongo wa gatanu kugeza ku murongo wa cumi na gatandatu ugaragaza amateka kuva mu 538 kugeza ku itegeko rya Ku Cyumweru rigiye kuza vuba. Imirongo ya gatanu kugeza ku ya cyenda igereranya amateka y'imyaka igihumbi na magana abiri na mirongo itandatu y'ubutegetsi bwa gipapa, yatangiye mu mwaka wa 538 kandi isozerwa mu gihe cy'iherezo mu 1798. Umurongo wa cumi ugaragaza amateka agereranya umurongo wa mirongo ine, ubwo ubupapa kwasenyaga Ubumwe bw'Abasoviyeti mu gihe cy'iherezo mu 1989. Imirongo ya cumi n'umwe n'uwa cumi na kabiri igaragaza intambara y'ubu irwanwa n'intumwa mu Ukraine, iyo Putin n'u Burusiya bazatsinda, ariko ingaruka z'intsinzi ya Putin zizagereranywe n'"intambara ya Nineve," n'"igwa rya Chosroes," ari yo yari "urufunguzo rwafunguye ikuzimu kutagira iherezo," maze Islamu irarekurwa mu mateka y'ishavu rya mbere.

Nyuma y'intsinzi ya Putin yamaze igihe gito, Leta Zunze Ubumwe za Amerika, mu mirongo ya cumi na gatatu kugeza kuri cumi na gatanu, zizatsinda intambara yo mu cyimbo, ni ukuvuga umusozo w'intambara yo mu cyimbo yari yaratangiye kuva ku Ntambara ya Kabiri y'Isi Yose. Uyu murongo ugaragaza intambara eshatu: intambara ya mbere yarangiye mu 1989, isohoreza imirongo ya cumi n'icumi na mirongo ine; iya kabiri, ari yo ntambara iriho ubu muri Ukraine, ihagarariye imirongo ya cumi n'umwe na cumi na kabiri; naho intambara ya gatatu yo mu cyimbo, ihagarariye intsinzi ya nyuma ya Leta Zunze Ubumwe za Amerika, igaragazwa mu mirongo ya cumi na gatatu kugeza kuri cumi na gatanu.

Ibigomba kumenyekana kuri ibi bihe bine bigaragazwa kuva ku murongo wa gatanu kugeza ku wa cumi na gatanu, ni uko ibihe bibiri bya nyuma, bigereranya intambara iriho ubu muri Ukraine, hanyuma no kwihimura kwa Leta Zunze Ubumwe z’Amerika, bibaho mu gihe cyo gushyirwaho ikimenyetso. Umurongo wa cumi na gatandatu ugaragaza itegeko rya vuba ry’umunsi w’icyumweru muri Leta Zunze Ubumwe z’Amerika. Imirongo ya gatanu kugeza ku wa cumi igaragaza amateka yo mu mwaka wa 538 kugeza ku gihe cy’imperuka mu 1798, hanyuma ikomeza kugeza ku gihe cy’imperuka mu 1989. Bityo rero intambara ebyiri z’intambara ya nyuma y’intumwa zindi zihagarariwe n’imirongo ya cumi n’umwe kugeza ku wa cumi na gatanu, zisohorerwa mu gihe aho Ezekiyeli igice cya cumi na kabiri hagaragaza ko ingaruka za buri yerekwa zisohora.

Ibyo byerekwa byahishuriwe Ezekiyeli nk’“inziga ziri mu zindi”, kandi Mushiki wacu White abigaragaza nk’“isabana rigoye ry’ibibera mu by’ab’abantu.” Amateka y’intambara yo muri Ukraine, intsinzi ya Putin, hanyuma kurimbuka kwe, bikurikiwe n’intsinzi ya Leta Zunze Ubumwe z’Amerika, ni kimwe mu bihishuwe birushaho kugorana by’“umurongo ku wundi murongo” biri mu Ijambo ry’Imana.

Agaragaza ku byerekeye “inziga ziri mu zindi nziga” za Ezekiyeli, Mushiki wa White aravuga ko igihe Ezekiyeli yabonaga bwa mbere iza nziga byasaga n’akajagari, ariko amaherezo Ezekiyeli yaje kumenya gahunda itunganye iri muri iza nziga, ari zo “imikoranire ikomeye kandi y’urujijo y’ibibera mu mateka y’abantu.” Kugira ngo amateka ahagarariwe mu mirongo ya cumi n’umwe kugeza kuri cumi n’itanu asobanurwe neza uko akwiriye, ni ngombwa gusobanukirwa isano iri hagati y’Itorero Gatolika n’Ubudage bw’Abanazi, kuko abayobozi b’Abanazi bo muri Ukraine ari intumwa zisimbura iyo sano.

Ni ngombwa kandi gusobanukirwa uruhare rw’ukwiyerekana kw’uwo bita Bikira Mariya i Fatima, muri Porutugali, mu 1918, harimo n’amabanga atatu uwo bita Bikira Mariya yasigiye abana batatu bo muri iyo nkuru. Ishingiro ry’izo butumwa uko ari butatu, busobanura intambara hagati ya Kiliziya Gatolika n’Uburusiya butemera Imana, ndetse n’Intambara ya Kabiri y’Isi Yose, ni igice cy’ubutumwa bwa Fatima kigaragarizwa mu ntambara yo muri Ukraine.

Impinduramatwara y’Abafaransa, n’isano yayo y’ubuhanuzi n’itorero Gatolika, kandi amaherezo na Napoleon Bonaparte, ugereranya Putin, na byo ni kimwe mu “biziga” bihagarariwe mu ntambara yo muri Ukraine. Isano y’ubuhanuzi Impinduramatwara y’Abafaransa ifitanye na Leta Zunze Ubumwe za Amerika na yo ihagarariwe mu mateka; kuko nk’uko Putin agereranywa na Napoleon mu gihe Ubufaransa bwari buri kugwa, ni ko n’uwahoze ari umukinnyi wa filimi Ronald Reagan, nk’umukuru w’ingabo za Gatolika mu ntambara yo mu 1989, agereranya uwahoze ari umukinnyi wa filimi Zelenskyy mu gihe Ukraine iri kugwa. Muri ibyo biziga bihurirana kandi bigahuza muri iyi mirongo, ikintu cya nyuma cyane kizakuraho ukwihangana kw’abanyapolitiki b’Abademokarate bo muri Leta Zunze Ubumwe za Amerika, bamaze igihe kandi bakiri guteza imbere Zelenskyy, kizashyirwa ahagaragara na Putin igihe azaba anesheje.

Tuzakomeza iyi nyigisho mu ngingo ikurikira.

“Ku nkombe z’umugezi wa Kebari, Ezekiyeli yabonye umuyaga w’ishuheri usa n’uzamuka uturutse mu majyaruguru, ‘igicu kinini, n’umuriro wisongonyamo, kandi umucyo wari ugikikije, no hagati muri cyo hakagaragara nk’ibara ry’akabarunari.’ Hari hariho amapine menshi, anyuranamo, ayoborwa n’ibinyabuzima bine. Hejuru y’ibyo byose ‘hari hasa n’intebe y’ubwami, isa n’ibuye rya safiro: kandi hejuru y’ibyari bisa n’intebe y’ubwami hari hariho igisa n’ishusho y’umuntu uyicayeho hejuru.’ ‘Kandi muri ba kerubi habonekagamo ishusho y’ukuboko kw’umuntu munsu y’amababa yabo.’ Ezekiyeli 1:4, 26; 10:8. Ayo mapine yari akomeye cyane mu miterere yayo ku buryo iyo uyabonye ubwa mbere wasangaga asa n’ari mu rujijo; ariko yagendaga mu bwuzuzanye butunganye. Ibyaremwe byo mu ijuru, bishyigikiwe kandi biyoborwa n’ukuboko kuri munsu y’amababa ya ba kerubi, ni byo byasunikaga ayo mapine; hejuru yayo, ku ntebe y’ubwami ya safiro, hariho Uhoraho; kandi intebe y’ubwami yari ikikijwe n’umukororombya, ikimenyetso cy’imbabazi z’Imana.”

Nk’uko ibimeze nk’inzinga byari biyobowe n’ukuboko kwari munsu y’amababa y’abakerubi, ni ko n’imikoranire igoranye y’ibyabaye mu mibereho y’abantu iri mu maboko y’ubuyobozi bw’Imana. Hagati y’amakimbirane n’imvururu by’amahanga, Uwo wicaye hejuru y’abakerubi aracyayobora iby’isi.

“Amateka y’amahanga, ayagiye asimburana buri rimwe rikuzuzza igihe n’umwanya byagenewe, mu buryo batabizi agahamya ukuri bo ubwabo batigeze bamenya icyo gusobanura kwako, aratubwira. Buri hanga na buri muntu wo muri iki gihe Imana yabigennye umwanya muri gahunda yayo ikomeye. Uyu munsu abantu n’amahanga bari gupimishwa umurambararo uri mu kuboko kw’Utidakosa. Bose, kubwo guhitamo kwabo ubwabo, bari kwihitiramo iherezo ryabo; kandi Imana iri gutegeka ibirenze byose kugira ngo imigambi yayo isohore.

“Amateka Uwo ndiho ukomeye yagaragaje mu ijamba rye, ahuza impeta ku yindi mu ruhererekane rw’ubuhanuzi, uherye mu iteka ryahise ukageza mu iteka rizaza, atubwira aho turi uyu munsu mu rugendo rw’ibihe, n’ibishobora kwitezwe mu gihe kizaza. Ibyo byose ubuhanuzi bwari bwaravuze ko bizasohora, kugeza kuri iki gihe cya none, byagiye bigaragazwa ku mapaji y’amateka, kandi dushobora kwizera tudashidikanya yuko ibitarasohora byose na byo bizasohozwa uko bikurikirana.” Education, 178.
